

KS1 Language Lessons Suggested Structure

KS1 will have three 30-minute lessons per week, taught by their class teacher. A specialist teacher may take out bilingual children for their lessons, which will focus more on reading & writing if needed.

The LFA French Curriculum has been divided into 12 topics for KS1. The Long Term Plan shows whether you will be covering two or three topics per half term, which should help you plan whether you will spend two or three weeks on this topic. As with every subject, children will retain the most knowledge if they are continually revising taught material and therefore it is very important to continue to practise each topic, even when starting a new one.
