

LA FONTAINE RECEPTION REPORTER

Friday 26.11.21

Our Learning

This week we have been:

- Using our phonics to read words and sentences and to write simple words
- Learning to estimate and compare quantities
- Learning about owls
- Retelling our 'Owl Babies' story using First, Next, Then, Finally..'
- Starting to learn songs for our performance at the end of term

Learning at home

Please practice doing up zips as the weather is getting very cold!

Using phonics to read decodable books; little and often.

News

Sounds-Write

Please have a look at the Sounds-Write website which contains lots of information for parents about how we teach phonics. It is useful for supporting reading and writing at home.

<https://www.sounds-write.co.uk/>

Clothing

Please ensure all items are clearly named. As the weather grows colder we have lots of hats, gloves and scarves being misplaced. Name labels can help us quickly get them back to their owner.

Books

Please continue to ensure all decodable and 'reading for pleasure' books are in book bags every day.
