

# LA FONTAINE RECEPTION REPORTER

FRIDAY 27.05.22

## Our Learning

This week we have been:

- Learning that one sound can have different spellings. We have been using some different spellings of the /ch/ sound: <ch> and <tch>
- Practicing doubling and learning about halving
- Using our creativity to come up with our own ideas for our sentence writing
- Learning about the Queen's Platinum Jubilee
- Learning about the artist Alma Thomas and using her art work to inspire our own creations
- Testing different materials to see which are waterproof

## Learning at home

Reading practice, little and often.

Talking about books /stories you have read. Asking children to retell and explain what happened and why, and to make predictions of what might happen next.

## News

Reminder

Please check that children are not bringing toys and objects from home. We have continued to have some arguments and upset when children have been giving out items to others. They have also been distracting for the children during learning time.

Packed lunches

Please be reminded not to include any items that contain nuts in packed lunches, including spreads such as Nutella.

Reading books

Please have a search for any school books and return them in book bags after the break.

Half term

We hope you all have a lovely and restful half term break. We return on Monday 6th June.
